BACEMS: EMR are no longer nationally registered. We can roster drivers only, however it is not mandatory. Drivers do not need to be CPR certified. The state made it easier for RN's to get a license. AMC aka Tamarack Health please pull up as far as you can so others can get in. Going to AMC aka Tamarack Health go up to the desk prior to going into a room so triage can be completed. HERC has a \$500 scholarship that renews each year. WISCOM no contract yet. Meaghan advised there is a training regarding WEM w-402. There is a prerequisite for the class (Nims 100).

Procurement: Valve step camp, Baby aspirin

Quality Assurance:

Training Report: Talked amount MCI course on the 20th of April. Spring SSFA training EMS and Fire. Port Wing discussing extrication. Also work with wheeled litter basket. EMR class starting in January is in the works.

Director: Adam Olson is the service director for Iron River. NIMS training. Jeff is not available on Tuesday nights for a while. Incentive discussion.

Old Business: Recruitment and scheduling

New Business: Annual review.

Call Reviews: Discussed changes to documentation. If there is something in red you must fix it.
